The purchasing agent shall develop and maintain lists of potential bidders for various types of materials, equipment, and supplies. Such bid lists shall be used in the development of mailing lists for distribution of specification and invitations to bid.

Any supplier may be included in the list upon request. The purchasing agent shall review all bid lists annually.

Non-competitive bid purchases may be made when there is only one supply source provided the amount does not exceed bidding requirement limitation.

Verbal quotations of price on equal products or services secured in person or by telephone may be used in purchases for routine supplies used by the District.

The Superintendent shall make available to the Board, upon request, the price quotations or competitive bids obtained from vendors for goods or services.

Formal Bid Quotations

The Superintendent is authorized to purchase any item, or group of items in a single transaction, costing no more than allowed under current law, upon the receipt of at least three written bid quotations provided said purchase is within the approved budget. Prior to commencing construction of a new building, or additions to or repair or renovation of an existing building costing more than allowed under current law, the Board shall obtain competitive bids on all material and labor to be required to complete the proposed construction, addition, repair or renovation. Repair work normally done by District employees is exempted from this bidding requirement.

The Board shall advertise for bids once a week for two successive weeks in a newspaper of general circulation in the area where the building or addition is to be constructed, or where the repair or renovation of the building is to take place. The Board shall also post an advertisement for bids on the Department of Management and Budget's website for at least two weeks if the department has designated a website for this purpose.

Such advertisements shall include:

- The date and time that the bids must be received by the Board,
- A statement specifying that the Board will not accept late submissions,

The Board shall not accept any bids that do not contain this sworn and notarized statement.

3660-R Bids and Quotation Requirements

3660-R-3

Responsible Bidder

All bids shall be awarded to the lowest responsible bidder. The Board remains the sole judge of whether or not a bidder is “responsible.” Criteria that may be used to judge “responsible,” by way of illustration and not limitation, are: financial standing, reputation, experience, resources, facilities, judgment and efficiency.

The Board may investigate the business reputation of any bidder by using information at hand to form an intelligent judgment, such as the District's architect, previous clients of the bidder, their own investigation, or an outside investigation agency.

Bid Specifications

The Board shall avoid negotiation of bid specifications after bids have been accepted and shall correct and request new bids if specifications are inadequately written.

If an error is discovered in the bid specifications all bids shall be returned unopened and the project shall be re-bid using corrected and/or amended specifications.

Any bid submitted to the District may be withdrawn prior to the scheduled time for opening of bids.

Any bid received after the Board publicized date and time shall not be considered.

Rejection of Bids

The Board reserves the right to reject any and all bids and to ask for new bids. Such reservation shall be so specified in the publication or notification of bid letting.

The Board reserves the right to waive any informality in, or reject any part of, a bid.
